THE M BOOK

ABC'S OF SUCCESSFUL COLLEGE LIVING

1960 — 1961

MARYVILLE COLLEGE
Maryville, Tennessee

VOLUME 55

STAFF

Katherine Eisenhart, Paul Burger, Co-Editors
Linda Roberts, Regina Garrison, Penny Trussell, Karen Stanley, Mildred Slater, Ken Churchill, Joseph Quinn

WELCOME!

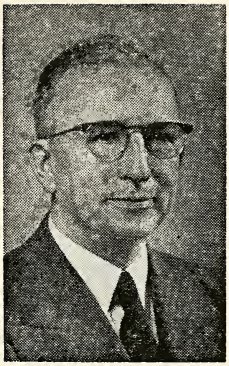
Welcome to Maryville to all new students, and to all returning students. We are all looking forward to a successful year together.

The M Book, which is sponsored and edited by the Y's on campus, is a book for **all** students. It is the official way of introducing all new students to Maryville by explaining rules, customs, and organizations. For all students it is a guide to follow concerning rules. We have put this book out with all the students in mind. We hope that it will be of help to you; if so, we feel we are accomplishing our purpose.

We hope that for all students at Maryville the following years here will be prosperous and happy ones.

Sinerely,

The Staff



Welcome to the College's 142nd year!

Maryville College's first five students began their classes under Dr. Isaac Anderson in October, 1819. Except for five years during the Civil War, students have enrolled here every Fall since that time.

And so it is in 1960. To you who come for the academic session of 1960-1961 (the College's 142nd year), I wish to extend greeting, welcome, and good wishes.

May this be for each of you a successful year, in which new opportunities are discovered, friendships are made and strengthened, and the great fields of knowledge become increasingly familiar.

Ralph Waldo Lloyd
President

ALMA MATER

Where Chilhowee's lofty mountains
Pierce the southern blue,
Proudly stands our Alma Mater,
Noble, grand, and true.

Chorus

Orange, Garnet, float forever,
Ensign of our hill!
Hail to thee, our Alma Mater,
Hail to Maryville!

As thy hilltop crowned with cedars
Ever green appears,
So thy memory fresh shall linger
Through life's smiles and tears.

Lift the chorus, wake the echoes,
Make the welkin ring!
Hail the queen of all the highlands,
Loud her praises sing!

FIGHT SONG

"On Highlanders"

(Words and Music by Charles Huffman, '49)

On, Highlanders, down the field,
Rolling up a high score!
Tear into the end zone,
Smash on through that line,
Highlanders!
Send a rousing cheer on high,
And our boys wi'l shine.
Come on and fight, fight, fight!
Come on and fight, fight, fight!
For dear old Maryville!

TRADITIONS

The BELL atop Anderson Hall is a symbol of tradition at Maryville. All colleges have traditions, and we here are not lacking in ours. As you become a part of Maryville, these traditions will become a part of you which you will cherish. Our traditions at Maryville are traditions of Activities, Meetings, and Fellowship.

Your first memories will be those of LINES — registration, Treasurer's Office, Bookstore, but the nicest line is the FACULTY RECEPTION LINE. This is the official greeting of all the faculty for all the students and is a must for freshmen. Don your best formal, your firmest handshake, your most sincere smile, and enjoy yourself.

The first few weeks of school are very busy, but also very exciting and happy. We try to settle down to the business of studying amidst the excitement of RUSH WEEK. This is the time when the four societies on campus, Theta Epsilon and Chi Beta for the women and Alpha Sigma and Kappa Phi for the men, carry on competition to try to win prospective members to their societies. Each of the brother-sister societies have a week in which to do this. Such social events as fashion shows, teas, talent shows, band concerts, and square dances are held during Rush Week. Each week is climaxed with a show. This show is one written by the members of the societies and performed by them. The attire for the occasion is usually formal, and the girls are escorted by the men. After the Rush Weeks are over, the students then decide which societies they wish to join. This is a hard decision, but whichever one is chosen deserves your wholehearted support.

THE STUDENT CENTER, with the Y-STORE, is the place to stop for a quick coke, sandwich, or icecream cone. Also, a game of ping-pong or bridge is sure to be in progress most anytime during the day. Stop in and enjoy the friendly atmosphere with other students.

Soon FOUNDERS AND HOMECOMING DAY comes in all its dignity. The morning chapel service, gay dorm decorations, and HOMECOMING PARADE make this a day to remember. The lovely senior girl who reigns as Homecoming Queen over the football game will have this as one of the happiest memories of her college career.

Your guess is as good as ours as to what the theme of this year's BARNWARMING will be. This is THE show of the fall semester and is held each Thanksgiving eve in the Alumni Gym. Sponsored by the Y's, every effort is made to present the best talent in this musical production. The court of the King and Queen is made up of attendants from each of the four classes, elected by the student body. This, too. is kept top secret until BARNWARMING night.

The coming of the Christmas Season brings with it anticipation of the coming vacation. However, there are many activities which are a part of the season that are long remembered. The presentation of Handel's MESSIAH by the Vesper Choir, the combined glee clubs, and all others who are interested in singing, with the accompaniment by the College orchestra, is very inspiring, and usually starts the Christmas season officially at Maryville. CHRISTMAS READINGS are given by various members of the English faculty, on the Sunday night of MESSIAH. The last Sunday night before vacation CHRISTMAS VESPERS are held in the chapel, with all the choirs participating.

WARMTH and FRIENDLINESS are two of the most important traditions at Maryville. The friendly "hi" and sincere smiles of all you meet are a vital part of the whole atmosphere. Be a part of this spirit—you will find friends are easily made.

Spring is officially here when college students, town people, and children make their way to the Amphitheater in the college woods for the annual MAY DAY PAGEANT. Produced by the Women's Physical Education Department, this colorful occasion is reigned over by the May Day Court. The Queen is chosen from the Senior Class and her attendants from the other four classes.

We began our traditions telling you about the first days on the Hill. As a climax comes COMMENCEMENT with its dignified services and many mixed emotions. One of the lovely traditions is the DAISY CHAIN composed of fourteen girls from the Junior Class, who form the chain through which the graduation procession passes. As seniors leave the campus many find that the strength, knowledge, and insight they have developed here is good preparation for worthwhile service in their chosen field.

Maryville emphasizes the building of the mind, body, and spirit. In her organization she develops personality and friendship, as students work and play together. In her classes and studies she emphasizes the importance of intellectual curiosity and the acquiring of knowledge. And in her RELIGIOUS ORGANIZATIONS and services spiritual growth is nurtured and one is inspired to loftier goals. Through each of these areas there is a common purpose which is a strong unifying factor in the campus life. It is the spiritual emphasis on our campus that is the impetus to the friendliness and desire to help that are so prevalent among our students. This is an introduction to the religious program that Maryville offers. These are some of the highlights of the opportunities and vital programs that are planned for the students to participate in, to share, and to enjoy.

TIME OUT, is the all-campus prayer meeting held each Thursday night at 9:30 in the Little Chapel. These meetings, which are led by the students, provide an opportunity to share in fellowship and spiritual growth.

The LITTLE CHAPEL located in the Samuel Tyndale Wilson Chapel is open at all times for private and small-group devotions.

Sunday is a quiet, peaceful day for the students as they return from Sunday School and Church. In the afternoon the Y's give an inspiring program and in the evening VESPERS provides an oppontunity for worship and praise as we hear a message from a speaker and listen to our own Vesper Choir. Sunday is the day that starts our week off with freshness and vigor.

Sometime during the year, a chapel service is set aside for the FRED HOPE FUND. This fund was established as a tribute to the memory of one of Maryville's outstanding graduates, Fred Hope, who spent his life as a missionary in Africa. Today this fund enables Maryville students to have a share in some outstanding foreign missionary service. This past year the fund was given over to OPERATIONS CROSSROADS — AFRICA, in which four members of the school participated. The fund is not a compulsory drive but one in which students have the privilege of participating as they wish.

In the first weeks of our second semester we have an inspiring week of religious emphasis, FEBRUARY MEETING. The team of leaders, a speaker, a pianist. and a song leader, conduct the services morning and evening for a period of ten days. The strong student interest in these messages usually results in further group discussion after the regular services and in many private conferences with the leaders. Over the years students and faculty have found renewed strength and spiritual re-awakening in these February Meetings, which are one of the oldest and strongest of our Maryville traditions.

Nothing is more beautiful than seeing the sun's first rays burst over the Smokies as the Vesper Choir sings, "Alleluia, Christ is Risen." EASTER SUNRISE SERVICE on Easter morning is an inspiring and enriching experience.

In addition to the many groups on campus which give opportunity for spiritual growth there is MORNING WATCH for your own private devotions. These quiet moments mean much to the students who take advantage of them. We hope you may feel the true spirit of Maryville College and take part in the many opportunities offered for friendship and personal development.

ARTISTS SERIES brings to the campus each year outstanding musical and dramatic artists. LECTURE SERIES gives the opportunity to hear noted scholars and authorities in many fields.

Each spring, near the end of the school year, the Y's RETREAT to a beautiful lake in the mountains for the week-end. This is a time not only of spiritual fellowship, but of spiritual evaluation of the programs and individual growth of the year. The Retreat also gives an opportunity to plan a more pertinent and vital program for the following year. A new theme or purpose for the following year is selected by the cabinet. This year the Y's decided that our spirit, enthusiasm, and unity are more important than a catch-phrase. However, the verse "From whence cometh our help? . . ." will be used as a guide by all the Y members. The Y's are important organizations on the campus, and their spiritual influence is shown by the active membership and wide interest that is shown as the students participate in the programs together.

DORMITORY LIFE

One of the first things we learn at college is to live with a large group of people instead of just the three or four that most of us are used to. Experience has taught us that the oft-quoted Golden Rule is the best policy to follow. Many rights and privileges are ours to enjoy as long as we are careful to respect the rights and privileges of everyone else. We're offering a few suggestions that we hope will make your days in the dorm happy ones.

To be a good dorm student DO:

—Limit the length of your phone calls
—Gather up the dirt after sweeping instead of leaving it in the halls
—Wait until after "busy" hours to wash your clothes in the bathrooms
—Respect study hours
—Be quiet in the mornings while others are still asleep
—Do your week's ironing in the laundry room and not on the ironing boards on the floors
—Clean the tubs, basins, etc., after using them
—Remove hot irons from the ironing boards
—Return supplies to the medicine chest
—Be quiet and considerate of those who are trying to study or sleep
—Do your share of helping, but refrain from being a habitual borrower
—Keep a neat, attractive room at all times
—Appear properly clad when in the halls, for guests and visitors have a way of appearing at the most unexpected times
—Be a friend
—Make your conduct in the lounges and public rooms such that others will feel free and welcome to come in at all times

Care of Rooms

1. Any plans for alterations or improvements in your room must be approved in advance by the Head of your Dormitory, after consultation with the Maintenance Office.
2. Students are held responsible for the condition of their rooms and furniture; charges will be made for any damage.
3. No furniture should be altered or moved from rooms or lobbies without the permission of the Head of the Dormitory.
4. Each student must furnish and use a mattress pad.

Electric Current

1. Since the overloading of electrical circuits is a dangerous fire hazard, lamps, clocks, radios, electric shavers, and hair dryers are the only electrical equipment which may be used in dormitory rooms.
2. Provision is made in each dormitory for the use of ironing and cooking equipment at specified places. Such equipment must under no circumstances be used in any student's room.
3. There must be no tampering with the electric wiring.
4. The maximum current allowed to be used in a dormitory room under any circumstances is 150 watts per students. In computing wattage. radios, clocks, electric shavers, and hair dryers are not counted.
5. Only one electric cord may be attached to a single outlet.
6. Dormitory supervisors are required to report immediately to the Dean of Women or Dean of Men any violation of the fire safety requirements stated above.
7. Students are asked to turn out lights when leaving their rooms.

Radios, record players, and television must not be played between 11:00 p.m. and 6:00 a.m.

Illness

In case of illness, notify the Head of your Dormitory or the Housemother at once.

Infirmary

1. If you go to the College infirmary as a patient, arrangements should be made through your Housemother. You should take your own pajamas, towel, washcloth, etc.

2. The infirmary clinic is open each week day as follows:

10:00—11:00 a.m.
4:00— 5:00 p.m.
1:00— 1:30 p.m.

(The doctor is there on Monday, Wednesday, and Friday nights.)

Emergency cases, of course, are received at any time.

3. If you visit patients in the infirmary, please observe the following visiting hours:

4:00—5:30 p.m.
6:30—7:15 p.m.

Permission should be obtained from the nurse before visiting patients.

Ironing

1. All ironing must be done in the laundry rooms or other specified places. The ironing boards on each floor of the women's dormitories are for pressing only.

2. No ironing is to be done on Sunday except emergency pressing between 7:00 and 9:15 a.m. and 6:00 and 6:30 p.m.

Laundering

1. All laundry must be done in the laundry rooms except in emergency cases when small amounts of light laundry may be done in the bathrooms.

2. No laundering is to be done on Sunday.

3. Each dormitory has its own regulations concerning the use of the washing machines.

Business Agents

Students must have permits from the Student-Help Office in order to solicit business in the dormitories.

Smoking

Smoking is permitted only in the smoking rooms of the dormitories — not elsewhere, either in the buildings or on the campus.

Emergency Drills

Each women's dormitory will participate in emergency drills, having its own organization and regulations.

Confiscation of Equipment

In the women's dormitories this is handled by the monitors and officers of the Women's Student Government Association, and in the men's dormitories by the Head of the Dormitory as follows:

a. Any electrical equipment being used in dormitory contrary to regulations will be confiscated.

b. Radios in use after 11:00 p.m. will be confiscated and placed in the office for one month.

General

1. Possession of liquor bottles, public or private signs, or road markers is considered, for obvious reason, a disciplinable offense.

2. Possession of firearms, pass-key, or key to any dormitory room other than one's own is forbidden.

3. Regulations imposed by civil law are in effect College regulations. For example, the possession or use of fireworks is violation of Tennessee law and therefore a disciplinable offense.

Telephoning

1. Local or long distance calls may be made and received any time between 6:00 a.m. and 11:00 p.m.

2. Outgoing calls, except to faculty and staff, must be made on the pay phones.

3. Incoming calls will be received on the office phone and transferred to the pay phone.

4. Everyone should limit calls to five minutes.

Lights

1. Lights are to be out in the Freshman-Sophomore dormitories at 11:00 p.m. each night. Signal will be flashed at a quarter until the hour for lights to be turned off and again at the hour for lights out. Light cuts for study only may be in each room twice per week. Special permission for necessary additional light cuts may be obtained from the Floor Chairman.

2. Lights in the Junior-Senior dormitory may remain on any night after 11:00 p.m. for study purposes only. The same regulations for quiet, each girl in her own room, are in effect at 11:00 o'clock.

3. Lights may remain on in all women's residence halls until 12:00 p.m. on Saturday night with the rule for quiet after 11:00 still in effect. Permission must be obtained for parties after 11:30 p.m. in Freshman and Sophomore dormitories.

Study

1. Dormitories are to be kept quiet or study and rest, and in consideration of others, from 8:00 a.m. until 3:30 p.m., and from 7:15 p.m. until 6:00 a.m. "Closed" study hours are maintained in the Freshman and Sophomore dormitories from 7:30 p.m. until 9:30 p.m.

2. You may study in the Library throughout the day and each weekday evening, except Saturday, from 7:00 until 10:00 p.m. Women students after 7:15 p.m. must sign out and in on their individual sign-out cards in the Residence Halls.

3. Week-day nights and Sunday, students are expected to be quiet and in their own rooms with the lights out by 11:00 p.m.

Monitors

1. Each student is required to serve as monitor as arranged by WSGA. As monitor you must be present on your floor, seeing that the halls are kept quiet during study hours and that students are in their own rooms. The monitor is also responsbile for checking the use of lights and radios at night, answering the buzzer, and seeing that rules in general are obeyed. Violations are to be reported to the House Committee, which will impose penalties.

2. Monitors will not need to be on duty on nights of large all-campus activities, such as Artists Series or formal dances.

Summons before House Committee

Students will be brought before the House Committee for violation of any dormitory regulations, undue disturbance, or consistent lack of cooperation. The House Committee has the authority to give the penalties for any such violations. On any third violation the student will be brought before the WSGA Coordinating Council rather than the House Committee or she may be brought directly before the Coordinating Council when the House Committee feels it necessary. Violations requiring such action would include offenses such as smoking in the dormitory and the use of hot plates, etc., in the rooms.

W.S.G.A. SIGN-OUT PLAN

1. When to sign out

A. No woman student shall have to sign out when she leaves the dormitory before dinner (6 p.m. Monday through Friday and 5:30 p.m. Saturday and Sunday) **except:**

2. When she is not expecting to return to the dormitory before 7:15 p.m.

3. When she is attending Sunday School or Church outside city limits of Maryville.

B. Every woman student shall sign out whenever she leaves the dormitory after dinner hours listed above).

C. These cards will be filed alphabetically in a House File box, to be found on the sign-out table in each dorm.

D. There will also be a file-box labeled "OUT" which will be found in the same place.

E. When a girl plans to leave the dorm, she must fill in properly the necessary information on her card, **and place the card in the "OUT" box.**

F. Upon returning to the dormitory, the girl must sign herself in on her card, **and then leave the card in the "OUT" box.** The sign-out checkers will refile the cards in their original box.

G. When the card is filled the Housemother will provide a new card for the girl.

H. Each girl is responsible for signing out each time she leaves the Dorm: To town, to library, to student center, etc. All absences will be recorded on the personal card.

III. Violation of signing out

A. Violation of town-night rules will be handled by the Student Council.

B. Failure to sign out to off-campus events other than town-night (such as church picnics, baby-sitting, visits in private homes, community church activities, etc.), and to any place on campus will result in a W.S.G.A. violation and penalty.

	on-campus	off-campus
1. failure to sign out	3 points	5 points
2. failure to sign in	2 points	3 points
3. *late—1 to 5 minutes	3 points	5 points

Each additional minute late will add one point to the penalty. Over five points for one late penalty will constitute a call before the House Committee.

An accumulation of FIVE points will constitute a W.S.G.A. penalty. This will be a "Campus" (you may not leave the campus during the day and may not leave your room after dinner). The duration of the campus will depend on how the points are accumulated, etc. This will be decided by the W.S.G.A. Coordinating Council.

***Late**

Closing Hour

(late after that time)

11:00 p.m. Saturday

B. These checkers will be a part of the Town-Night Committee, and along with the Student Council chairman of Town Night, and the president of the W.S.G.A., will meet once a week to discuss violations and recommend penalties if necessary.

Study

Dormitories are expected to be quiet for study after 7:30 each evening.

Absence from the Dormitory

Overnight absence should be arranged with the Head of the Men's Dormitory or the Housemother. It is important that the whereabouts of students be known at all times, in case they should be needed for any reason.

Lobby

Men living in the dormitory may entertain their families in the lobby.

Disciplinary Measures

Disciplinary measures will be taken by the Executive Council of the Faculty or the Proctor of the dormitory for infraction of these rules:

1. Abusing radio privilege by habitual loud playing after 11:00 p.m.
2. Creating a disturbance in dormitory.
3. Wilful destruction of property.
4. Violation of other dormitory regulations.

DINING HALL

Meals are served in the Dining Hall on the first floor of Pearsons Hall according to the following schedule:

Weekdays: 7:00 a.m., 12:30 p.m., 6:00 p.m.
Saturdays: 7:00 a.m., 12:30 p.m., 5:30 p.m.
Sundays: 8:00 a.m., 12:30 p.m., 5:30 p.m.

Your guests may eat in the dining room by arranging with the Dietitian. Meal prices are:

Weekdays:
Breakfast, 40c; Lunch, 85c; Dinner, 85c

Saturdays:
Breakfast, 40c; Lunch, 85c; Supper, 40c

Sundays:
Breakfast, 40c; Dinner, $1.25; Supper, 40c

All seven of your tablemates will appreciate your appearing well-groomed at meals, especially dinner. For Sunday dinner, both men and women are expected to wear their "Sunday best."

Try to make conversation table-wide, but remember there are tables all around you, and it is annoying to them to have to listen to your conversation. After all, loud and boisterous talking is bad manners anywhere. And speaking of manners, be sure to take them along when you go to the Dining Hall. A polite "please" or "thank you" isn't too heavy a burden for anyone to carry.

Your waitress will appreciate your thoughfulness in getting to and from meals on time, since she has classes and obligations too.

It is customary that grace be said before every meal.

Again our advice is to be friendly and courteous!

Dating

1. Parlor dates may be had in the women's dormitory parlor from 7:00 to 10:30 p.m. any weekday evening and until 11:00 p.m. Saturday evening by arranging with the Head of the Dormitory. Freshman and Sophomore women may have four each month and Junior and Senior women may have an unlimited number.

2. Sunday dating for Freshmen and Sophomores is for the services only, with the exception of Easter and Baccalaureate Sundays, when afternoon dating is also permitted.

3. Calling hours for men in the women's dormitories are as follows:

Weekdays	1:00	to	1:20 p.m.
	3:30	to	5:30 p.m.
	6:30	to	7:15 p.m.
Town Night	5:00	to	7:15 p.m.
	9:30	to	10:30 p.m.
Sunday Afternoon	1:00	to	1:30 p.m.
Saturday Afternoon	1:00	to	5:30 p.m.

(Men may stay in the dorms after Vespers on Sunday until 8:15 and after Student Vols until 9:15.)

4. Couples may be together within the Circle Drive (the driveway circling the central campus) each weekday evening until 7:15 (7:00 on Sunday) and until 1:20 on Sunday afternoons.

5. Couples who date at announced College activities will return to the women's dormitories within fifteen minutes after the close of the activity; and men do not stay after that time.

6. Dating in Knoxville for women other than Juniors and Seniors may be arranged occasionally by permission from the Dean of Women. Only bus transportation is approved.

7. Classrooms and classroom buildings are not to be used for dating.

Dancing

1. Social dancing each weekday (except Saturday) evening following supper till 7:15 is informal, held in the Intramural Gymnasium.

2. Two formal, all-college dances are held each year, one in the winter and one in the spring. For girls dress is formal: for fellows tuxedos are nice but not necessary—business suits are just as acceptable. Admission tickets are regulated by the Social Committee. Your request for a non-student guest must be handled through the office of the Dean of Women.

3. Occasional informal all-college dances have rules which say "No" to corsages, tuxes, and admission charge. Music is recorded, and the informal note is set.

4. Dancing is permitted for small groups scheduling parties in the Y-rooms or other small social rooms, by arrangement with the Dean of Women and those responsible for the premises involved.

Planning All-Campus Entertainment

1. Program must be officially authorized and scheduled through the Faculty Committee on Scheduling of Activities (Office of Dean of Women).

2. Student programs are subject to preview by the Student-Faculty Committee on Student Programs.

Planning Parties, Picnics, and Other Social Activities

1. You must secure approval from the Dean of Women's Office at least five days in advance.

2. If the function involves transportation, it must be by conveyance on which personal insurance is carried on the passengers—this means buses, trains, or private cars.

3. All social activities must be held on the campus or at some other approved place and must be properly chaperoned.

4. The "Y" Rooms are available if arrangements are made in advance through the "Y" Rooms Committee of the YWCA. There is a charge of 25c for use of the kitchen. Each social activity there must also be scheduled through the Dean of Women's Office.

Evening Activities

Evening activities must be scheduled in advance with the Faculty Committee on Scheduling of Activities (Office of Dean of Women).

Initiations

1. Initations are not to interfere with the general program of the College; for example, they must not be such as to create disturbance in Chapel, classes. dining hall, or dormitory. They must not involve physical force or hazard.

2. Plans and procedures for initiations must be approved in advance by the Student Organizations Committee, in accordance with the principles stated above.

Automobiles

1. No out-of-town student may have an automobile or other motor vehicle while at Maryville College except by special permission given only in unusual cases. This permission is required whether or not parking space on the campus is desired; request must be made in writing through the Personnel Office before the car is brought.

2. Students living in Maryville who regularly use cars at the College must secure permit tags each year from the Maintenance Office. Parking spaces will then be assigned to those who park regularly on the campus. (Faculty members also secure permits and parking assignments.)

Fellow Students,

May I extend a warm "welcome back" to those of you returning and a "hello" to those of you who join us for the first time this year.

Your Student Body Government is established and waiting to serve you. As the year progresses we hope that you will feel that you are a real part of it and that you regard your experiences with it as some of the most valuable of your college career. As Freshmen, some of you will have the honor of serving on Student Council, others of you will have the responsibility of electing these persons to Council. Choose them with sincerity and care.

Start now to develop a loyalty to Maryville College and that loyalty will introduce you to four of the most rewarding years of your life.

Very truly and sincerely yours,

President of the Student Body

7. Since authorized college activities (athletic, forensic, musical, etc.) within reasonable limits represent educational values in terms of individual development and disciplines, class absences due to such activities count only half.

8. If for some unusual reason, such as a serious accident or prolonged illness, a student is compelled to exceed the absence allowances in any semester, he may present at the Personnel Office before the end of the semester a written appeal, which will be considered by a faculty committee after the close of the semester. To the extent that such an appeal presents clear evidence that all absences were for valid reasons, the committee may at its discretion modify the application of absence penalties.

9. Students on the Honor Roll (standing of 3.25 the previous semester) are not bound by the class allowances, but a record of their absences is kept as for others students, and they must take all announced tests. Such students have the same requirements as others for chapel Sunday school, and church, and are subject to the same penalties for days preceding and following holidays, as well as to the provisions of (10) below.

10. Absences for any cause totaling one fourth of the class meetings prevent a grade above "D" in the course; if absences total half of the class meeting, "F" is given. These apply to Honor Roll students as well as others.

11. An announced test may be made up only by permission of the Personnel Office to the teacher concerned, upon presentation by the student of evidence that the absence was unavoidable. In case of doubt, the Personnel Office should be consulted before the absence. It is understood that in view of the delay and irregularity involved, a make-up test is to be more extensive and thorough than the one missed.

ON GOING TO CLASS

1. The system for regulating attendance at Maryville College is based on the principle that consistent attendance is essential to the best class achievement and that excessive absence, regardless of the reason, represents real academic loss. Absence beyond the equivalent of a week's absence in a semester in any class is considered excessive. Each student is expected to keep an accurate record of his absences with the dormitory Housemother or at home, as the case may be.

2. There is no provision for "free cuts." To cover necessary absences due to illness or other emergency, the student is allowed the equivalent of a week's absence in each class and in chapel, and of 3 week's absence in Sunday school and church combined, each semester.

3. Should a student exceed the allowance for any class, chapel, or Sunday school and church, he is penalized by additional credit required for graduation, at the rate of 1|2 semester hour for each excess absence.*

4. Should a student be absent from classes on the two days preceding or the two days following a scheduled holiday, vacation, or recess, he is penalized by additional credit required for graduation, at the rate of 1|2 semester hour for each absence on those days. This applies to all students, including those on the Honor Roll.*

5. Should a student exceed the allowance in any class or in chapel or Sunday school and church, by an additional week's absence, or should he accumulate altogether 8 excess absences, he is warned by the Personnel Office in writing, and a copy is sent to the parents.

6. Should a student accumulate as many as 16 excess absences in a semester without valid reason, he is sus pended from college immediately.

* Academic standing, as officially computed by the Personnel Office, is based on total hours attempted, before application of absence penalties.

3. Careless or sloppy dress is not acceptable in the dining hall at any time. Students are expected to give special attention to dress for Sunday dinner and other dress-up occasions; that is, girls will wear "heels and hose" and men "suits and ties" at such time.

General

1. Ball throwing or snowballing is not permitted near buildings.

2. Athletic facilities are not to be used on Sundays.

3. Visiting drug stores, restaurants, and the like between Sunday School and Church and on Sunday afternoon is not permissible except between 5:30 and 6:30 p.m.

4. Use of intoxicants by students is forbidden.

5. Pool-rooms and places selling beer or other alcoholic beverages are off limits to students.

6. Each student organization must be approved by the faculty. No secret organization is permitted.

Demerits

These are given by the Executive Council of the Faculty for violation of College regulations.

Dismissal from College

This decision is made by the Executive Council of the Faculty when a student:

1. Accumulates sixteen excess absences within one semester.

2. Accumulates ten demerits.

3. Is guilty of a serious infraction or persistently fails to cooperate with the general program of the College.

To all freshmen women a very special greeting and to those who are returning a hearty "welcome back."

Along with the thrill and excitement of being a part of a campus community comes also the realizotion that you have a responsibility to fulfill. Through the Women's Student Government Association, the governing body of the girls residing on campus, Maryville women have the opportunity to show themselves at their best—willing to be responsible citizens in their dorms, mature in their realization of the need of government, and capable of making policies and of carryiny them out. Therefore, your interest, ideas, and support will be the essential ingredients for a successful year in W.S.G.A.

Since part of your responsibility as a member of W.S.G.A. is knowing and understanding the rules by which we live, I advise you to read this book and to keep it handy for ready reference. With each member guided always by her responsibility, your years at Maryville cannot help but be a valuable experience in mature group living.

Sincerely,

Carolyn Gass
President of W.S.G.A.

HOW WE SPEND OUR FREE TIME

While Maryville College puts its major emphasis naturally enough, on scholastic standing, you'll want to be active in a few extra-curricular fields too. We warn you—you'll be tempted to join all the fascinating clubs and organizations the campus boasts. But book learning comes first; better still, find a happy balance between grades and activities. You'll find enough of both to satisfy you; and while our hospital is cool and comfortable, it isn't run as a rest home for exhausted activity hounds.

We hope you'll find activities that will make the most of your time and interests. Efforts and enthusiasm wear better and are more appreciated when they are concentrated. If you budget your time wisely, you'll have not only good grades but also an important place in campus life.

HONORARY FRATERNITIES

Alph Gamma Sigma

Alpha Gamma Sigma was organized in the spring of 1934, for the purpose of motivating high scholarship among students. Its requirements are similar to those of Phi Beta Kappa. Ten percent of the graduating class may be admitted provided the members have a grade point ratio of 3.33, better than a B average.

Alpha Gamma Sigma awards a scholarship at the beginning of the junior year to the student who achieved the highest scholastic average over the first two years.

Pi Gamma Mu

The Epsilon Chapter of Tennessee of the National Social Science Honor Fraternity, Pi Gamma Mu, received its charter in April, 1957, with five faculty and eleven student members. Its purpose is to recognize the distinctive attainments in the field of social science of outstanding juniors and seniors. Further, the

organization seeks to encourage interest in and discussion of important issues in social science.

Pi Kappa Delta

Maryville has the distinction of having the Tennessee Alpha Chapter of Pi Kappa Delta, national honorary forensic fraternity. Debators of sophomore classification or above who have fulfilled certain qualifications are eligible to be elected into its membership. Members of this organization are awarded orders and degrees according to rank and achievement. Maryville participates in the Pi Kappa Delta National and Provincial Conventions.

Theta Alpha Phi

Talented dramatic students may upon meeting certain requirements for membership, be initiated into the Tennessee Delta Chapter of the national dramatic fraternity, Theta Alpha Phi. Members of this organization take a leading part in dramatic activities on the campus; however, opportunity is given to all students to try out for the various plays given throughout the year.

Sigma Delta Psi

Maryville's chapter of Sigma Delta Psi was established in 1930. Membership is earned by meeting the requirements of various athletic tests in the presence of a responsible committee.

Tau Kappa Chi

This is an honorary musical organization for students who are studying applied music or are members of musical organizations. Its purpose is to promote student and community interest in music. The aims are to raise the general academic standing of those en-

rolled in music; to provide a goal for student interested in music; to promote thoroughly trained musicianship; and to further the understanding of all types of music. A general average of "B" for two successive semesters and nomination by the music faculty for excellence in musical performance are required for membership.

SOCIETIES

Chi Beta

Varied activities and friendships highlight the program of Chi Beta Society. Soon after school starts this year, Chi Beta will join her brother society, Kappa Phi, to present a Rush Week program. Weekly meetings through the year are held in Chi Beta Hall.

Theta Epsilon

Organized in 1894, Theta Epsilon Society has played an active part in campus life. The beginning weeks of school this year will find Theta and her brother society, Alpha Sigma, presenting their Rush Week. Meetings are held each week in Theta Hall.

Alpha Sigma

Alpha Sigma, founded in 1884, offers men of the College an opportunity to participate in activities that will build true friendships. It enters teams in all intramural sports and holds an annual weekend trip to the mountains, barbecue, banquet, and similar activities. It joins with its sister society, Theta Epsilon, in producing a dance and a Rush Week program.

Kappa Phi

Kappa Phi, the society of friendship, is the oldest society on campus and holds meetings each week in its

society house. Its men enter various teams in intramurals, and hold an annual spaghetti dinner. Kappa Phi joins Chi Beta, its sister society, in joint meetings, Rush Week programs, and sponsors one formal dance each year.

OTHER ORGANIGATIONS

Student Volunteers

Student Vols is a fellowship of students who wish to establish and further a significant concern in the missionary enterprise. It is composed not only of students who are planning to go to the field, but also of those who are in any way interested in the mission of Christ's church. The weekly programs (Sunday night after Vespers, usually in Bartlett Hall) present informative and challenging aspects of the work being done on both the foreign and the home mission fields. Regular prayer-fellowship and study groups, a special missionary outreach project, and socials also have a vital part in the total Vol's program.

Christian Education Club

The Christian Education Club was formed for the purpose of giving an opportunity to prospective Directors of Christian Education and church workers to become familiar with various skills needed in the field. This is done through a program of lectures and laboratory periods. The club is open to all those inteested.

Parish Project

Maryville College students render valuable service in the Faith Cooperative Parish, made up of small churches, schools, and mission points in the area surrounding Maryville. College students are needed in the program to serve as Sunday School teachers and as youth workers. More are needed to preach on Sundays and to teach

during the week. Students are given a half-hour credit for this work, and they attend weekly conferences for guidance in their program.

Pre-Ministerial Association

The Pre-Ministerial Association, organized in 1900, is open to all students who are planning to become ministers or who are interested in other phases of Christian service. In addition to its regular meetings twice a month the Association shares in planning with the other religious organizations, YM, YW, and Student Vols, the campus prayer meetings and other campus religious programs. Its members are encouraged to engage in some form of service to local missions and rural churches in the vicinity of Maryville.

CLUBS

International Relations Club

Maryville's I.R.C. is affiliated with the Association of International Relations Clubs. Its purpose is to stimulate an awareness of current international affairs. Student-led programs include movies, speakers and discussions on such pertinent topics as Indo-China, Israel, and South Africa.

Pre-Medical Club

To anyone who is planning to go into, or who is interested in medicine and all related fields such as dentistry, nursing, technology, and psychiatry, the Pre-Med Club offers excellent opportunity for trips and for lectures from various prominent members of those professions. The club meets twice a month throughout the year, and interest is the only prerequisite to membership.

French Club

The French Club is composed of thirty members who are taking French and who qualify for membership by scholarship and interest. This club features semi-monthly programs of French songs, games, movies, and plays, and holds occasional socials.

German Club

All college students who are interested in German cultute, regardless of whether or not they are German students, are elegible for membership in the German Club. Regular meetings are held twice a month to stimulate interest and participation in different phases of German culture.

Spanish Club

The limited active membership of thirty, plus all native Spanish-speaking students on the campus are elected from applicants who are interested in the activities of the Spanish Club. Besides the semi-monthly evening meetings, at which are presented programs of Language, customs, culture, music, dance, and use of audi-visual equipment in the language laboratory, there are an outdoor picnic and a Christmas party featuring the Spanish pinata. All freshmen are invited to visit the club when they arrive on the campus.

Women's "M" Club

This is the girl's Athletic club of Maryville College. Membership is attained by making a total of 400 or more points through participation in what is known as Women's Athletic Associaaion. In addition to activities two hours a week the members meet monthly for business discussions and enjoy an athletic activity together. The high spot of the club's activities is the weekend hike in the Smoky Mountains once each semester.

Men's "M" Club

The Men's "M" Club is open to all varsity lettermen and male members of the coaching faculty. The purpose of the organization is to further the bonds of athletic brotherhood on the Maryville campus, to be of service to the school and the athletic program, and to increase loyalty to the best interests of the College.

Writer's Workshop

Literary interest and achievement are the basis for membership in Writer's Workshop. Members are elected from the junior and senior classes and faculty. Each member writes and presents to the group two papers each year for criticism and in turn serves as literay critic.

Student National Education Association

Jasper Converse Barnes Chapter of the Student National Education Association was organized in the spring of 1949. All students planning to teach are eligible for membership in this club, which is affiliated with the National Education Association.

B. G.

This is a small club of eight campus girls who keep the meaning of their initials a secret. At the end of each year two freshmen and one sophomore are elected members. Originally organized for hiking, the club today is purely social.

Music Education Club

The Music Education Club is affiliated with the Music Educators National Conference as Student Members Chapter 383. Membership is open to all students

interested in teaching music. Meetings are held the first and third Thursdays of each month.

MUSIC

If you have any musical ability whatsoever, be it singing, blowing a tuba, or playing a violin, there's ample opportunity at Maryville to develop those talents. The musical program gets in full swing with the performance of the marching band at the football games and ends with choir's final anthem on graduation day. Recitals which anyone may attend are given from time to time by music students and faculty.

Vesper Choir

The Vesper Choir provides good training and genuine pleasure for those who are interested in singing. It is composed of about sixty members who must pass rigid tryouts before they are accepted. The group participates in the weekly vesper services and the daily chapel programs, and presents special programs in Maryville and surrounding cities. The Choir has sung in many cities of the East, Midwest, and South.

All-Girl Choir

The sixty girls who compose this group are selected by tryouts each semester. They replace the Vesper Choir at the Sunday evening service a number of times a year. In the fall the Girl's Choir combines with the Men's Glee Clug to present a sacred concert, and in the spring the combined groups present a program of secular music.

Men's Glee Club

This group consists of about forty men, but additional members may be admitted by tryouts each

semester. The sacred concert in the fall and a secular program in the spring are the highlights of the year's activities for the Glee Club.

Band

The students who enjoy playing a musical instrument are urged to try out for the College marching band. The band, numbering about fifty pieces, plays for all the home football games and takes occasional out-of-town trips with the team. For freshmen and sophomores the marching practice takes the place of the physical education requirement. When football season is over, the marching band reorganizes as a concert band, which gives an outdoor concert during the last few days before Commencement. Don't take the chance of not having an instrument for tryouts; bring it along with you this fall.

As befits true "Highlanders," the band is uniformed in authentically styled kilts of imported Scotch wool. They make a striking appearance on parade and are the pride of the campus.

Orchestra

Orchestra members are admitted and placed by tryouts each fall. They gain valuable experience in presenting two concerts of classical numbers annually and accompanying "Messiah." Their spring concert features an outstanding music student playing a well-known concerto.

String Ensemble

The String Ensemble is open to all string players in the orchestra. Various programs are given thoughout the year, both on and off campus.

DRAMA AND DEBATE

Playhouse

The Maryville College Playhouse has at its disposal one of the finest and best equipped theatres in this part of the country. Playhouse presents three major productions each year. Last year the plays were Thorton Wilder's **The Matchmaker**, Ibsen's **A Doll's House**, and **The Lark** by Jean Anouilh.

Playhouse originated in the fall of 1949 and is open to all those who are interested in acting or in any of the technical aspects of production. Under a point system, apprentices work for the positions of Journeymen, Player, and Master Player.

DEBATE

Of all our teams, we are probably most proud of our Debate Team. They are consistent winners through the years. Debating is an excellent extracurricular activily and is a great aid to the development of poise and self-confidence. It is especially valuable for those planning to enter the ministry or law professions. Debate is open to anyone who is interested and is operated on a class basis, college credit being given at the end of the second semester. Debaters compete in local, regional, and national tournaments. Those who reach the top ranks may be elected into the national honor society for debaters, Pi Kappa Delta. This year's team is coached by Dr. Arda S. Walker.

CAMPUS PUBLICATIONS

For those who are interested in writing or in working on the staff of publications there are many varied opportunities here at Maryville. Through serving on these staffs valuable experience is gained.

Highland Echo

The **Highland Echo** is the college newspaper, usually published bi-weekly. Freshmen and other new students are welcomed and are urged to try out for the staff positions if they are interested. At the end of each college year staff promotions are made on the basis of writing, interest, and dependability. The **Echo** constitution limits the number of staff members from each college class. The editor is elected by the staff, and is usually a senior. Chief purpose and policy of the **Echo** is to present campus news as interestingly and as thoroughly as possible. The **Echo** also seeks to acquaint students with national and international problems of particular interest to them, thus helping our student body to identify with the total student generation.

Chilhowean

The **Chilhowean** is the annual yearbook, published under the supervision of the junior class. All organizations, events, and activities of the year are viewed in picture and word. There are also individual pictures of almost all of the student body.

Alumni Bulletin

The **Alumni Bulletin** sends news of the College and alumni to former students of the College. It is published monthly by the Alumni Office.

M Book

As you have already discovered, the **M Book** is the little volume you are now reading. It is published every year by the YMCA and YWCA and is the official College handbook. College rules, customs, and activities are described within for the student's benefit.

INTRAMURALS

All men are encouraged to participate in the intramural program under the direction of coach Lynn Sexton. The prgram consists of the major sports—touch football, basketball, softball, as well as all phases of minor sport activity, such as swimming, wrestling, tennis, golf, ping-pong, badminton, and volleyball.

The men participating are striving also for individual honors in the monogram "M" given for point accumulation for actual participation, officiating, or managing a team in competition. Team honors are also distributed in each sport.

In the spring semester, the Y.M.C.A. awards the sportsmanship trophy to the senior showing the best character in competition during that year.

All classes actively engage in this program and competition is keen. This program offers a wholesome opportunity for the student in the recreational phase of his college life.

INTERCOLLEGIATE ATHLETICS

Maryville College has a well-rounded sports program suited to all men interested in playing intercollegiate athletics. The SCOTS participate in baseball, football, and basketball as well as track, tennis, and wrestling.

Varsity sports are under the direction of Coach Boydson Baird, assisted by Coaches John Davis, Howard Tomlinson, and Lynn Sexton. The SCOTS take on colleges of similar size in football and basketball and universities and larger colleges in baseball and the minor sports.

Last year the basketball team, led by a Little All-American center, more than held its own against strong competition. The wrestling squad played host to the S. E. C. Wrestling Tournament and turned in an appreciable third behind Auburn and Chattanooga.

There are opportunities for all men to compete in these sports, as M.C. does not buy her athletes. Support or try out for the team of your choice.
